Lend a Paw

Brantley County is in desperate need of your help!

What began from a foil balloon touching a powerline has evolved into a wildfire that has spread over 35 square miles. Firefighters from various departments across the state are working diligently to contain and put out the fires.

With hundreds of people evacuated and dozens of homes burned down, local rescues like Brantley Animal Rescue Coalition and Thomasville Humane are trying to make room for animals that will be displaced due to their owners losing their homes and strays trying to avoid the fires.

The Humane Society for Greater Savannah and Renegade Paws Rescue are looking for fosters to help them with the dogs that they have taken in.

Most Needed Items

Dog and cat food
Cat litter
Hay and livestock feed
Cleaning Supplies (bleach, disinfectants)

Donation Drop off

Parking Services Office
1509 Strand Avenue
Daily until 5pm with after hours pickup available through Code Compliance

Donate here to further help animals in need

Dog of the Month: Dunkin'

Dunkin', is a love-filled bundle of joy! Overflowing with energy and playfulness, he's not just dog-friendly but also the perfect lap dog. While Dunkin' may initially be a bit cautious around new humans, his affectionate nature shines once he gets to know you - revealing the true lover boy within. He thrives in

the company of other dogs, especially the little ones, making group dog settings a breeze for him. For Dunkin's best experience, a home with another dog and a human who can gently guide him through initial shyness with new humans is the ideal environment.

Who let the dogs out

The Humane Society for Greater Savannah is hosting its 24th annual Doggie Carnival on May 3rd from 12pm-4pm at Forsyth Park,

Come out to enjoy this carnival themed event featuring local vendors, businesses, cotton candy, ice cream, food trucks, bounce houses, and a variety of dog and kid friendly games and activities.

With events like Doggie Derby, SwiftPaws Speed Trap, World Pup and the Kids Activity Zone there is something for the two and four legged.

All proceeds from the Doggie Carnival directly support the Humane Society for Greater Savannah.

Success Story: Chonk

We are happy to announce that Chonk has been adopted! He has been in the care of the Humane Society for Greater Savannah since October of 2025 and we are thrilled that he now has a place to spend his golden years. Congratulations to this cuddly old man for finding his forever home.

Did you know?

Just like our fingerprints, each dog's nose print is unique. The Canadien Kennel Club has used dog nose prints as valid identification since 1938.
